- Jodi Landriault Emma Atter
- Consultant: Karen Westby-Bulger
Bonnie-Lynn Porter

Winter Season 2017-18

As our Fall/Winter season is winding down, the PFSC Board of Directors would like to thank all of you for your continuous support of our club, our coaches and most importantly, our skaters.

Spring Skating 2018

Our Spring registration will take place through the month of March. We will be offering programs for IntroSkate, Star1-5 and Elite for the months of April and May. Spaces will be limited so be sure to hand in forms and monies by the due date.

Meeting 2018

Our Annual General Meeting takes place in early to mid-May (date will be announced in late March).

This is an event where we celebrate all the wonderful accomplishments of our skaters, our coaches and our club over the past season. We distribute awards to skaters who are chosen based on their progress and accomplishments by the coaches and the board. We also will be seeking volunteers for our Board of Directors which will be voted on during the meeting. This year, our Constitution is also up for review and we will hopefully enact an up to date plan for our club. All are welcome to attend.

Summer Skating 2018

We are hoping once again to host a Summer program for skaters in Star 1-10 levels during the month of August. The program would run two evenings a week if we have enough interest. More information will be provided towards the end of our Spring programs. Also look on our Facebook and Website for forms later in the spring.

REGISTRATION 2018-2019

We will be holding in person registration at the Evinrude Arena during the month of August for our Fall/Winter programs in PreCanSkate, CanSkate, IntroStar and Star1-10. Our younger programs fill up very fast so please be sure to attend to reserve a space for your child. Dates and times will be announced via our Website and Facebook pages. We do keep track of your child's progress and will ensure they are placed in the correct group level according to their past accomplishments.

It's YOUR club! Get Involved

The PFSC Board of Directors is looking for enthusiastic individuals interested in helping out. Please contact us if you would like to join the Board of Directors!
